About the Alio Gold Inc. Class Action

The proposed class action against Alio Gold Inc. (“Alio”) is with respect to certain misrepresentations alleged to have been made by Alio in connection with its acquisition of all outstanding shares in the common stock of mining company Rye Patch Gold Corp. (“Rye Patch”) in the spring of 2018.

The action alleges that the conduct of Alio constitutes fraudulent and negligent misrepresentation for which Alio is liable under the *Securities Act*, RSBC 1996, c 418 and at common law, particularly with respect to Alio’s anticipated gold production for 2018.

Proposed Class

The Alio class action is brought on behalf of members of a proposed class consisting of all individuals and entities whose shares in Rye Patch were acquired by Alio in the spring of 2018 and who suffered damage and loss, including due to the artificial inflation of the share price of Alio at the time of the acquisition.
